"Come in the evening or come in the morning, Come when you're looked for, or come without warning,

Kisses and welcome you'll find here

And the oftener you come here, the more we'll adore you." Despite the inclemency of the weather the spacious church was filled when the big bell announced that the celebration was about to begin. In the front pew to the left of the main altar sat Mr. and Academy, several of them Louisville girls. Around and behind these sat the friends of the young priest. The organ sounded a grand processional and the ceremonies begin. Those who took part walked from the convent on Sixth street to the church near by. After the crossbearer and acolytes came three little girls clad in white. Two of them were Father McHugh's sisters. The third carried a wreath typifying a bride—the church whose spouse Father McHugh lation of Los Angeles was 80 000; it is help me out on this momentous occahad become. Then followed the Rev. Brothers James and Julian, of the Xaverian Order, from whom the young priest had received his early training. Behind were Father McHugh and his assistants at the holy sacrifice. The Rev. Brother Martin, Father McHugh's first teacher, occupied a seat in the middle aisle. The Rev. Father Raffo, the Rev. Father Mc-Feely, O. P., and several others occupied seats in the sanctuary. The three little girls were given seats at a prie dieu. the Rev. Father McHugh as celebrant; e Rev. Father Flood as assistant priest; music as ordered by His Holiness Pius preached the sermon—one eminently befitting the occasion. He spoke at first
on the dignity of the priesthood, its aims
and objects. Then be told of the relation that should exist between the priest and the people, and of the honor it was to parents to have a son ordained. He their regular meeting Wednesday night, asked the congregation to pray for this young priest that his life might be long and useful and holy. In conclusion, Father Volz addressed a few words of congratulation and admonition to the congratulation and admonition to the congratulation and admonition to the congratulation and congratulation congr

The father, sister and three brothers of the young priest were the first to receive Holy Communion from his hands. At the conclusion of the mass the entire congregation knelt and received the blessing of Father McHugh. Benediction of the Most Blessed Sacrament followed, and in conclusion the Te Deum as sung by the Dominican Order was given by the choir.

As the vast congregation filed out men, women and children waited on the sidewalk in the hope of personally congratulating the new Dominican. Instead they had to be content with shaking hands with the father, Pat McHugh, while the happy mother and children were almost smothered with kisses. July 2, 1905, will be always a big day in the history of St. Louis Bertrand's parish.

If, as we have been taught, charity covers a multi-tude of sins, certainly the ceremonies the Rev. Father John Ambrose McHugh, O. P., celebrated his first mass at St. Louis Bertrand church at 9 o'clock last Sunday morning. It was a day of general rejoicing in Limerick, and that name is not used disparagingly. The people of that section of the city called their Irish Catholic brethren from all over Louisville to rejoice with them.

The Kentucky Irish American this week received a call from Messrs. V. Falisi, A. B., and John M. Cooney, A. M., members of the faculty of St. Mar Scollege, the oldest Catholic college, the oldest Catholic colleg among the educational centers of the one were asked to find fault with the

pointed permanent rector of Holy Trinity church, New Albany, in succession to Rev. John B. Kelly, deceased. Rev. Father William Patrick Griffin, has been appointed assistant rector of the same church. The appointments were announced July 5 by Bishop Chatard. Father Curran comes from St. Patrick's church, Daviess county. He was formerly pastor of St. Martin's church in Martin county, and is a priest of deep learning and great piety. Father Griffin is a young priest and comes from Indianapolis. Both will assume their pastoral duties tomorrow. The appointments have been awaited with much interest by Catholics in New Albany and in Southern Indiana for several weeks, as Holy Trinity is one of the most prosperous parishes in the State, and the rectorship is a very desirable one. The selections were made by Bishon Chatard and his counselfors after much consideration and deliberation. The Rev. Edward R. Kenney, who has

THE FLAG.

The Emblem of Freedom Was Adopted by Congress 128 Years Ago.

The flag of the United States was adopted by our national Congress June tenoy. The inscription reads: emblem of freedom, and wherever seen good will to the people of every land. 'There are many flags, in many lands,

And there are flags of every hue; But there's no flag, however grand,

Like our own Red, White and Blue.' The well known tri-color of France lates from the revolution of 1789. The oldest flag in existence is that of

VERY SAD.

Sudden Demise of Thomas K. Kennedy-Shock to His Friends.

Shocking in its suddenness was the death of Thomas K. Kennedy, which occurred at his home, 1422 West Chestnut street, last Monday morning. He had been ill for a short while previous but was supposed to be on the road to rapid recovery when death ensued. Mr. Kennedy was a well known traveling man and after years of hard and active service on the road was almost ready to retire and reap the reward of merited service. He was an earnest, Christian gentleman, a kind husband and an affectionate father. He is survived by several grown children. One of his daughters is a member of the Sisters of Charity of Nazareth, and is now located in Massachusetts. The funeral took place from the Sacred Heart church at 9 o'clock Wednesday morning. The interment was in St. Louis cemetery. The family has the sympathy of many friends in their great grief.
